The Secretary,
Down South Jazz Club,
P.O. Box 346,
Merimbula 2548

Dear Aileen,

Margie and Tony wish to express our appreciation to President George Pitt and the Committee members for the great honour of the presentation of Life Membership to the Down South Jazz Club.

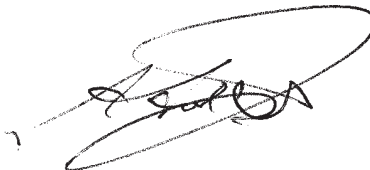

We have enjoyed the experience over the last 28 years, meeting and playing with many visiting and local musicians with the enthusiastic backing of percussionist Ken Vatcher. Some of the visiting musos from Sydney included Bob Barnard, Don Burrows, George Washingmachine, Ed Wilson, Paul Furness, Bob Henderson, Al Davies, Tom Baker, Dan Barnett and for the last 13 years Alan Soloman and Geoff Power whilst local musos, the late Gordon Benjamin and Joe Stockman, Bob Porter, John Cursley, and vocalists Colleen Spillane and Matt Kimber have all taken part with us in the Down South Jazz Club.

We wish the Club every success for the future and hope we can maintain good health to enjoy our preferred style of music.

Thank you one again for the honour,
Yours in Jazz,

MARGIE FULLERTON
