# Welcome to the 44th Merimbula Jazz Festival

**Welcome to four unforgettable days of music, friendship and celebration at the 44th Merimbula Jazz Festival.**

This June long weekend, more than 500 musicians from almost 100 bands have travelled to the beautiful Sapphire Coast to share their passion for jazz across eight walkable venues in the heart of Merimbula. Whether you are a regular festival-goer or joining us for the first time, we are delighted to have you here.

One of Australia's longest-running jazz festivals, the Merimbula Jazz Festival proudly showcases an extraordinary range of styles — from big band, swing and mainstream jazz to funk, fusion, traditional jazz and ragtime. Over the weekend, you'll experience world-class performances, intimate sessions, inspiring workshops and the unique atmosphere that has made this festival such a beloved part of Australia's jazz calendar.

We are especially pleased to welcome international guests, the Alexandra Ivanova Trio, currently touring Asia. The trio was keen to be part of the Merimbula Jazz Festival and we are delighted to welcome these musicians to the Sapphire Coast.

The acclaimed Canberra Tango Quintet will be taking to the stage prior to their performance at the Sydney Opera House, Utzon Room. This preview performance recreates

the 'Summit' collaboration between legendary jazz baritone saxophonist Gerry Mulligan and tango composer and bandoneon player Astor Piazzolla.

This year's program also proudly features performances by the Royal Australian Navy Big Band, the Royal Australian Navy New Orleans Band and the Australian Defence Force Academy Jazz Band. We thank these outstanding musicians for their contribution to the festival, including a special youth workshop hosted by the Royal Australian Navy Big Band for young musicians.

## **Emerging talent**

Encouraging and supporting emerging talent remains at the heart of the Merimbula Jazz Festival. Thanks to the generous support of Community Bank Pambula & Bega, Jazz Quest continues to showcase some of Australia's brightest

young musicians under 25, performing alongside experienced artists in one of the festival's most popular events.

We are also delighted to welcome music teacher Lucas Schembri and students from Lightning Ridge Central School, many of whom will be experiencing live jazz at this level for the very first time.

Our vocal workshops, including Gospel and Swing Jazz sessions, continue to offer festival-goers the chance to participate, perform and become part of the music-making spirit that defines this event.

### **Joy of live music**

Most importantly, the Merimbula Jazz Festival is about community — musicians, volunteers, audiences, sponsors and supporters all coming together to celebrate creativity, connection and the joy of live music.

Thank you to everyone who has helped bring this year's festival to life. To our performers, volunteers, sponsors and loyal audiences — we hope you enjoy every moment.

Welcome to the 44th Merimbula Jazz Festival. Sit back, soak up the atmosphere, discover something new and let the music carry you through an incredible weekend on the Sapphire Coast.

# Key Events and Attractions

## **The Main Program**

See and hear wonderful bands across great venues at Club Sapphire, Merimbula RSL Club, the Lakeview Hotel, Twyford Hall and Dulcie's Cottage. The music starts from 4pm on Friday, 11am Saturday and Sunday, continuing through to 11pm each evening. The Jazz Party runs from 11am-4pm. Dulcie's Cottage will host bands on Friday, Saturday and Sunday.

## **Saturday 6 June Opening Ceremony**

Join us in the Club Sapphire car park for a look at some grand old vintage cars and of course our much-loved Garford vintage fire truck prior to the start of the Opening Ceremony at 12 noon.

Listen to our featured band and hear the results of the Swing Jazz Vocal Workshop where attendees will perform as part of their workshop involvement.

Our Town Crier, Alan Moyses, and Dr Jazz, Greg Whitby, will be on hand for photos and to lead our NSW Member for Bega Dr Michael Holland, Bega Valley Shire Mayor Russell Fitzpatrick and a three-piece trad band into the Auditorium.

Our jazzy ladies and gents will accompany our guests and we extend a very warm welcome to all our musicians, jazz lovers and visitors to join us for the 44th Merimbula Jazz Festival. Feel free to take a spin on the floor with

Merimbula's Take Your Brain Dancing group.

Be there to cheer as we officially start a wonderful weekend of music.

## **Saturday 6 June Vocal Workshops**

Both the Swing Jazz and Gospel Vocal Workshops are organised and run by the highly experienced vocalist and musician Leisa Keen. The Swing Jazz Vocal Workshop will

take place in Club Sapphire between 10-11am before performing at the Opening Ceremony.

The Gospel Vocal Workshop will take place in St Joseph's Catholic Church Saturday at 2pm before being part of the Ecumenical Service on Sunday 7 June at 11.30am.

## **4pm Saturday, 6 June RAN Band Youth Workshop, Function Room, RSL Club**

We are thrilled to offer this wonderful opportunity to music students and music educators. The Royal Australian Navy Band will be conducting a special workshop with the Bairnsdale Secondary College Swing Band and students from Lightning Ridge Central School in the RSL Function Room.

This was a fascinating session last year for both students and audience as they witnessed RAN Band music educator Simon Bartlett unpick an arrangement and, with the young musicians, put it all back together again.

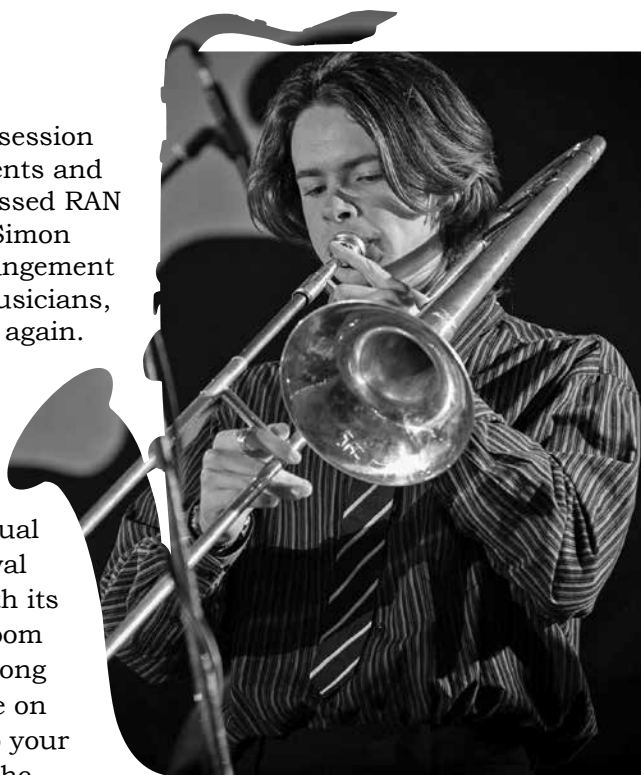

**11.30am Sunday,  
8 June, Ecumenical  
Service**

St Joseph's, Merimbula is the spiritual home of the Jazz Festival Ecumenical Service with its plentiful seating and room for musicians. Come along for the 11.30am service on Sunday, 7 June, lift up your hearts and sing. Hear the Gospel Vocal Workshop attendees perform and join with them in an uplifting experience and start to your Sunday listening.

**2-5pm Sunday 7 June Jazz Quest,  
Maple Leaf Room, Merimbula  
RSL Club**

This highly anticipated event was created 14 years ago by Paul Dion and has grown into a major attraction. It's the place where we showcase the extraordinary talents of musicians under 25. Proudly sponsored by the Bendigo Bank Pambula and Bega Branches, with \$5000 in prizes, Jazz Quest is an investment in the future.

Head to the Maple Leaf Room at the Merimbula RSL Club - you will be amazed at the talent.

**11am-4pm Monday 8 June Jazz  
Party, Merimbula RSL Club**

Join us for jazz; it's party time at the Merimbula RSL Club and the invitation is extended to everyone!

Join the Jazz Party, step in, step up and dance, or simply sit back and enjoy six bands with non-stop music. Co-hosted by the Down South Jazz Club and the Merimbula Jazz Festival, our good friends the Down South Jazz Club will be running their usual spectacular raffle too.

# Paying It Forward

## Our investment in the future

The Merimbula Jazz Festival is well-known for its strong support of younger musicians. For the last 14 years, we have maintained a strong interest in promoting and encouraging our younger jazz musicians. We're delighted to continue this work thanks to the generous support of our friends at Bendigo Bank Pambula and Bega, who ensure our popular Jazz Quest continues to showcase young talented musicians.

## Lucas' investment in the future

We're always ready to welcome student bands and encourage young musicians.

This year we've been especially pleased to welcome music teacher Lucas Schembri, and 16 students from

Lightning Ridge Central School.

Mr Schembri first attended the Merimbula Jazz Festival as a student trumpet player in 2014 and returned each year until graduating in 2016.

Since becoming a music teacher at Lightning Ridge Central School in 2021, he has brought students to the festival as part of the school's growing music program. Recently Lucas has expanded the extra-curricular music program to include a jazz band.

The students are extremely excited about attending and participating in this year's festival. Many are looking forward to performing, some are preparing to enter Jazz Quest, and others will take part in the youth workshop with the Royal Australian Navy Big Band.

*"These opportunities provide an authentic and meaningful extension to their classroom learning and are highly motivating for their continued growth as musicians."*

Lucas Schembri

For many students, this will be their first time experiencing live jazz at this level, making it a particularly exciting and memorable opportunity, Lucas said.

*"The festival atmosphere is welcoming and inspiring."*

Lucas Schembri

*"Students are exposed to a wide range of jazz styles and performances, and the opportunity to learn directly from professional musicians is something that cannot be replicated in the classroom,"* Lucas said.

### **Your investment in the future**

The jazz community is a wonderful family of talented musicians and vocalists offering a wide range of jazz styles. The Merimbula Jazz Festival is a not-for-profit incorporated body and when we are able, we like to give back via a disbursement, as part of a profit sharing model to our much-loved musicians.

Every year the committee is humbled by the generosity of our talented musicians.

The committee extends a special thank you to the many

musicians who chose to donate their disbursement in 2025 and those who chose to donate their disbursement (should one be available in 2026) back to help strengthen future festivals. These donations mean a lot and we really appreciate your gesture.

The jazz community truly is a wonderful family!

# Powered by an Army of Volunteers

The Merimbula Jazz Festival is powered by volunteers from the committee members who start work immediately one festival finishes, through to those on door duty who sell passes over the festival weekend.

**Without them the festival simply wouldn't happen.**

It takes an army of volunteers to run a music festival. Many have to fit in tasks between work or other volunteer duties and so we are very grateful to all those who manage to organise their lives to accommodate the Merimbula Jazz Festival.

Over the course of the long weekend around 80 people will volunteer, allowing the Jazz Office to stay open, badges collected, tickets sold, venues to be set up and banners put up (and taken down afterwards). Volunteer stage managers will introduce the bands and ensure things run on time and door managers will check badges and provide spare copies of the program if needed.

Not least among our volunteers is the Down South Jazz Club, whose members ensure the smooth running of the Jazz Office and provide a

friendly welcome to our musicians and jazz lovers. The Down South Jazz Club also assists with the Jazz Party.

Pambula Rotary and Merimbula Lions Clubs help in door security and staging for the Merimbula Jazz Festival. Without their assistance these tasks would be impossible to handle, and the Merimbula Jazz Festival committee is pleased to make a significant donation for their valued help.

This money is then recycled back through the Bega Valley community through the good works carried out by these service clubs.

And so we say a special thank you to them all because every volunteer helps to keep the music playing!

# Roger Clark 22 November 1943 – 11 March 2026

Roger Clark was a great friend of the Merimbula Jazz Festival and also a regular contributor, attending over many years.

Roger lived a rich and multi-faceted life — as a businessman, farmer, musician, teacher, mentor and family man but his life was never only about business.

Music was always at the centre of who he was.

A passionate saxophonist, he became a driving force in Australia's jazz scene. In 1998 he founded Dizzy's Jazz Club, which he ran for more than 20 years. Under his stewardship it became a legendary venue in Melbourne, hosting some of the finest local and international jazz artists while also giving a stage and a start to countless young musicians who would go on to become leaders in the Australian jazz and contemporary music scene.

He was involved in jazz communities across Melbourne, Merimbula and Townsville, where he played, mentored and encouraged musicians of all ages. Through music he formed lifelong friendships and inspired many people to pursue their craft.

A photo of Roger, playing music with his son Rory, and grandson Oscar, was the inspiration for the 2025 Merimbula Jazz Festival poster. It reflected both Roger's and the festival's philosophy of encouragement of youth and the joy of music across the generations.

The photo was recreated in life when the three generations took to the stage at the Jazz Party in June 2025.

The Merimbula Jazz Festival warmly welcomes Rory Clark and his sons, Remy and Oscar to the 44th Merimbula Jazz Festival.
