- All Band and Musician Registration Forms must be received 12 weeks prior to the Festival (22nd March).
- As there is a limit to the number of performance spots, some Band registrations could be wait-listed.
- List all band members on the next page, including vocalists and conductors, and please ensure correct spelling.
- **PLEASE** - check with your musicians that they have listed your band as either their first or second preference on their Musician Registration form, otherwise there is no guarantee they will be programmed with your band and you may need to source a replacement.
- Each set includes the time taken for you to set up and also exit the stage.
- The practice of changing band names and adding or replacing one or two musicians to get another performance spot will be closely monitored, and disallowed. One of the aims of the Merimbula Jazz Festival Committee is to enhance the Festival by presenting variety, not quantity.
