

VOLUNTEERS - MERIMBULA JAZZ FESTIVAL

The Merimbula Jazz Festival commences on the Friday of the June long weekend and volunteers are always needed for registration control, stage announcing, raffle ticket sales (for the Down South Jazz Club), and general help as required.

Volunteers will receive a Festival Badge if they donate some of their time over the weekend. Start and finish times are generally negotiable, but typically the shifts are for about 2 hours. People usually volunteer for a couple of shifts, with stage announcers allocated consecutive shifts.

If you are interested, please complete the details below so that rosters can be organised, and send your completed form by mail or email, or hand it in at the welcome desk at the next jazz night. Address details are at the bottom of the page.

Please Note: The Jazz Club derives a sizeable portion of its annual revenue from the Festival Raffle, the majority of this at the Jazz Party on the Monday, where volunteers work in pairs for 45 minutes selling tickets.
